Dedication

We dedicate this yearbook to...

Chuck Burk MAINTENANCE DEPT.

1. What year did you begin maintenance and grounds keeping?

1986

2. What is your most memorable experience?

I have so many, but I guess it's when I misspelled a word on the marquee.

3. What will you miss the most?

All the young ladies, and stirring the pot.

4. Would you come out of retirement to teach again?

Only if my body could stand it.

**"Everything that has a
beginning has an end Neo."**

- The Oracle

Matrix Revolutions

David York ENGLISH DEPT.

1. What year did you begin teaching?

I started my teaching career here at EAWRCHS in 1978.

2. What is your most memorable experience?

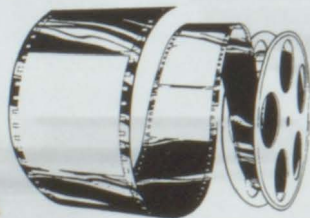

I have many great experiences. I guess the best ones are coaching freshman football for three years, teaching in the CAP program, and having an after-school judo program.

3. What will you miss the most?

I really enjoy my daily contact with young people. I believe, it helps keep me young. I will really miss that.

4. Would you come out of retirement to teach again?

No, No, NO, NO!

GOOD LUCK RETIREES OF 2006!

Susan Whipple BUSINESS DEPT.

1. What year did you begin teaching?

1984-85, Patricia Stevens College; 1985-present, EAWR.

2. What is your most memorable experience?

During my high school years, I was an original member of the Dilettantes. When I became an employee of EAWR, I was honored to coach the squad for nine years. I was extremely proud when the squad won 2nd place at the Illinois Drill Team Association's State Contest.

3. What will you miss the most?

My co-workers, of course; the rewards that come from seeing students develop throughout 4 years of high school.

4. Would you come out of retirement to teach again?

I might teach part time at Lewis and Clark Community College, but do not plan to return to the high school.

Tom Chamberlain ENGLISH DEPT.

1. What year did you begin teaching?

1973

2. What is your most memorable experience?

Everyday to me is an experience, but probably when the yearbook was dedicated to me.

3. What will you miss the most?

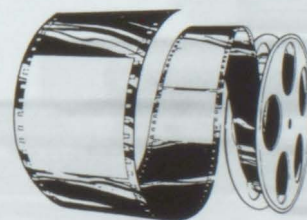

Being with kids and the other teachers.

4. Would you come out of retirement to teach again?

It would really depend, but I could possibly be a substitute.

Your memories
shall last...

FOREVER!
