In Dedication to and in
Memory of Mr. Orville Yocum

This year we dedicate the yearbook to the memory of Mr. Orville Yocum. Unknown to him, he had been selected for this honor in September. His years of devoted service to our school as a coach, a teacher and a friend to all those who knew him, students as well as staff, have left an indelible mark. His accomplishments and memories during his twenty-six years at our school are his ultimate legacy.

Corrections

The baby picture identified as Holly Tannlund is actually Brenda Chenoweth. On the Cheerleaders' page, Theresa Downer should be Theresa Hampton. Orivell Yocum's name was inadvertently misspelled on the Dedication page. We sincerely apologize for any other errors, either on our part or on that of the publishing company.

Foreign Exchange Students

Claudia Eugenia Flores

This year's foreign exchange student came from Parral, Mexico in Chihuahua Province. While here, Claudia's host families were the Peacocks and the Taylors. Her father is an engineer, and she has two sisters and one brother. One of her sisters was also in the United State attending Georgetown University. Claudia celebrated her sixteenth birthday while here at Wood River High School. Although she studied English since elementary school, Claudia found the speed everyone speaks here hard to follow. Another thing which impressed her was the freedom of the American students.

Graduation

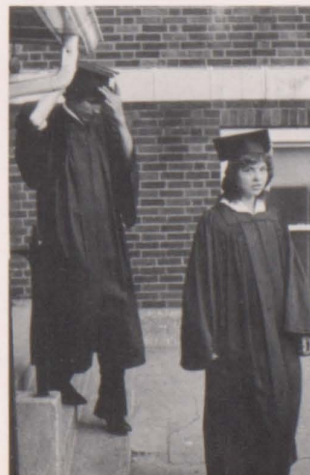

Class of 1979

You've studied and struggled
And striven to please
Since the early days
Of your ABCs;
You deserve the applause
And the tribute of praise,
God bless you and keep you
Always!

The last official business of the 1979 graduating class took place on June First this year when they received their diplomas. They will now pursue their plans and dreams in their own separate ways. Good luck, Class of "79"!
