Hear no evil, see no evil, Woops, I shouldn't have said that!

Hay, watch that fund!!!

Hurray, it's Friday!!!

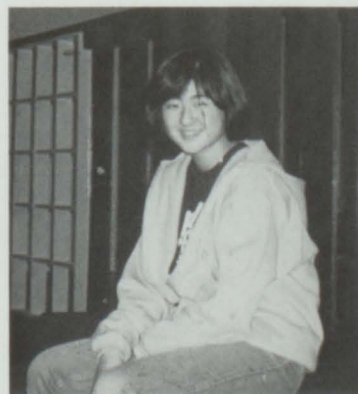

The Exchange Student Program has brought many enjoyable memories to E.A.W.R.C.H.S. We have recently had the privilege of welcoming two interesting exchange students — Tomoka Fujii and Claudia Ramirez. Claudia, our good friend from Merida Yucatan, Mexico, has brought us lots of laughs and knowledge. Claudia was surprised that boys and girls here can be good friends without having ties. She was delighted to find she would be attending school in a co-ed environment. Claudia has three brothers. Her father is a pediatrician. The food we call Mexican is not at all what Claudia is accustomed to. She prefers Italian food to our Taco Bell styles of Mexican food.

Fujii

Tomoka, our other delightful treat, is from Tokorozawa, Japan; which is not far from Tokyo. Tomoka has adapted well to life here in Illinois. Her favorite foods here are fried chicken, biscuits, and homemade bread. Tomoka says that in Japan, students have to take an exam to earn the right to attend high school, they are not just given the right. She also enjoys our co-ed environment, because she attends an all girl school in Japan. She has two sister, who have both been to other countries with the exchange program. We have enjoyed our friends from far away and hope they will return sometime in the future.

I'm imitating the thinker.

Oh no, there's a zit on my forehead.

I don't care what Mr. Stroffman said, do it my way!

Everybody act normal!

What is Mrs. Carter doing???

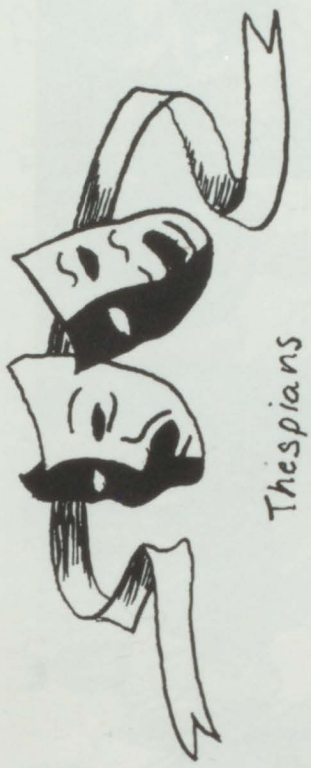

Sure we're working!

Retirees — Summer of '89

Mr Darrell Cozad

Mr Darrell Cozad , business education teacher, retired in August. He had been teaching for thirty one and one half years, all of them at East Alton-Wood River. He has been the Oiler Yearbook Business Manager since 1971, a position that he is continuing in his retirement. In the spring he will be in charge of distributing the yearbooks.

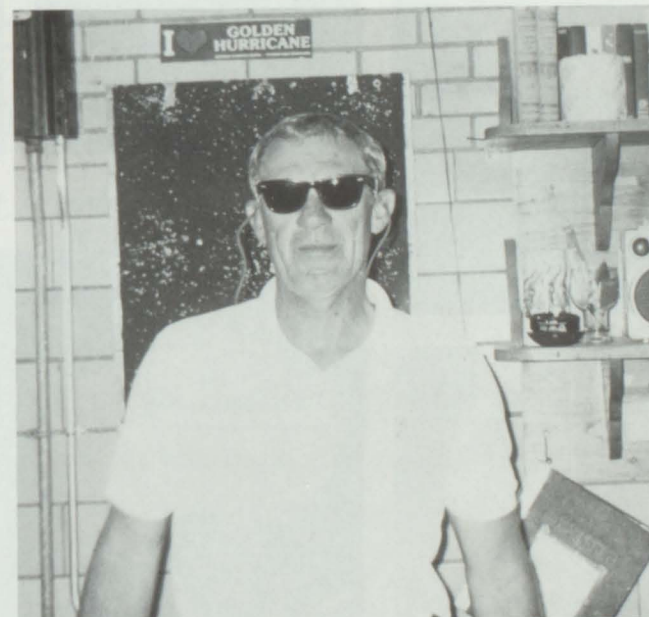

Mr Charles Wright retired after twenty five years as a custodian at East Alton-Wood River. He began in July of 1964 before the east building was completed. He remembers boarding of the doors with large sheets of plywood to secure the building for the night. He also took excellent care of all of the east building plants. Enjoy your retirement gentleman!

Mr. Charles Wright

In Dedication to Mr. John Martin

It has become a tradition at East Alton-Wood River Community High School to dedicate each edition of the Oiler to one of our faculty or staff members. Following this tradition, we the editors, would like to dedicate this years edition to Mr. John Martin. In the seventeen years he has been here, Mr. Martin has contributed much to our school. He has been the head basketball coach, the soccer coach and the drivers education teacher. Mr Martin's favorite leisure activity is fishing — catch a big one for the yearbook staff!

Could someone please tell me what this awful pain is!

Cheers!

Calgon take me away!

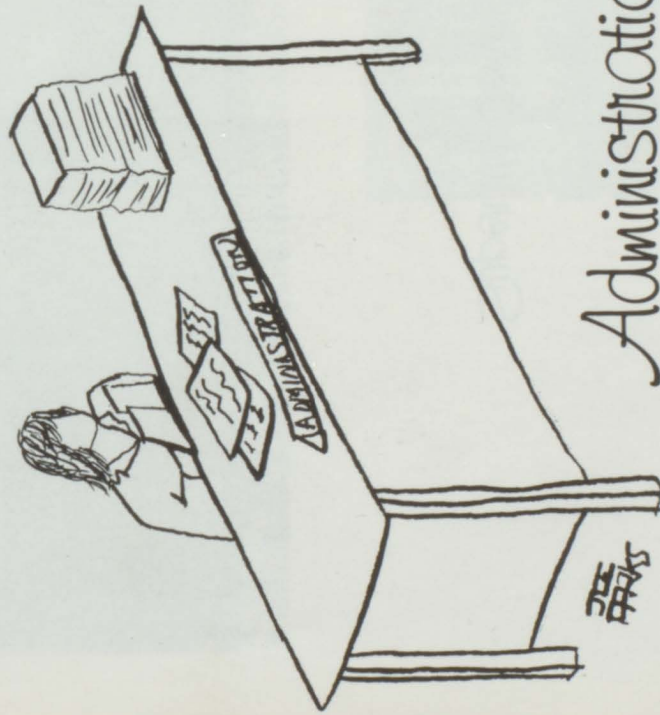

Haven't you ever seen a skin head before?

Can I put this torch down now?

This year's summer supplement is dedicated to two staff members that spent much of their
summer working to get it to you.

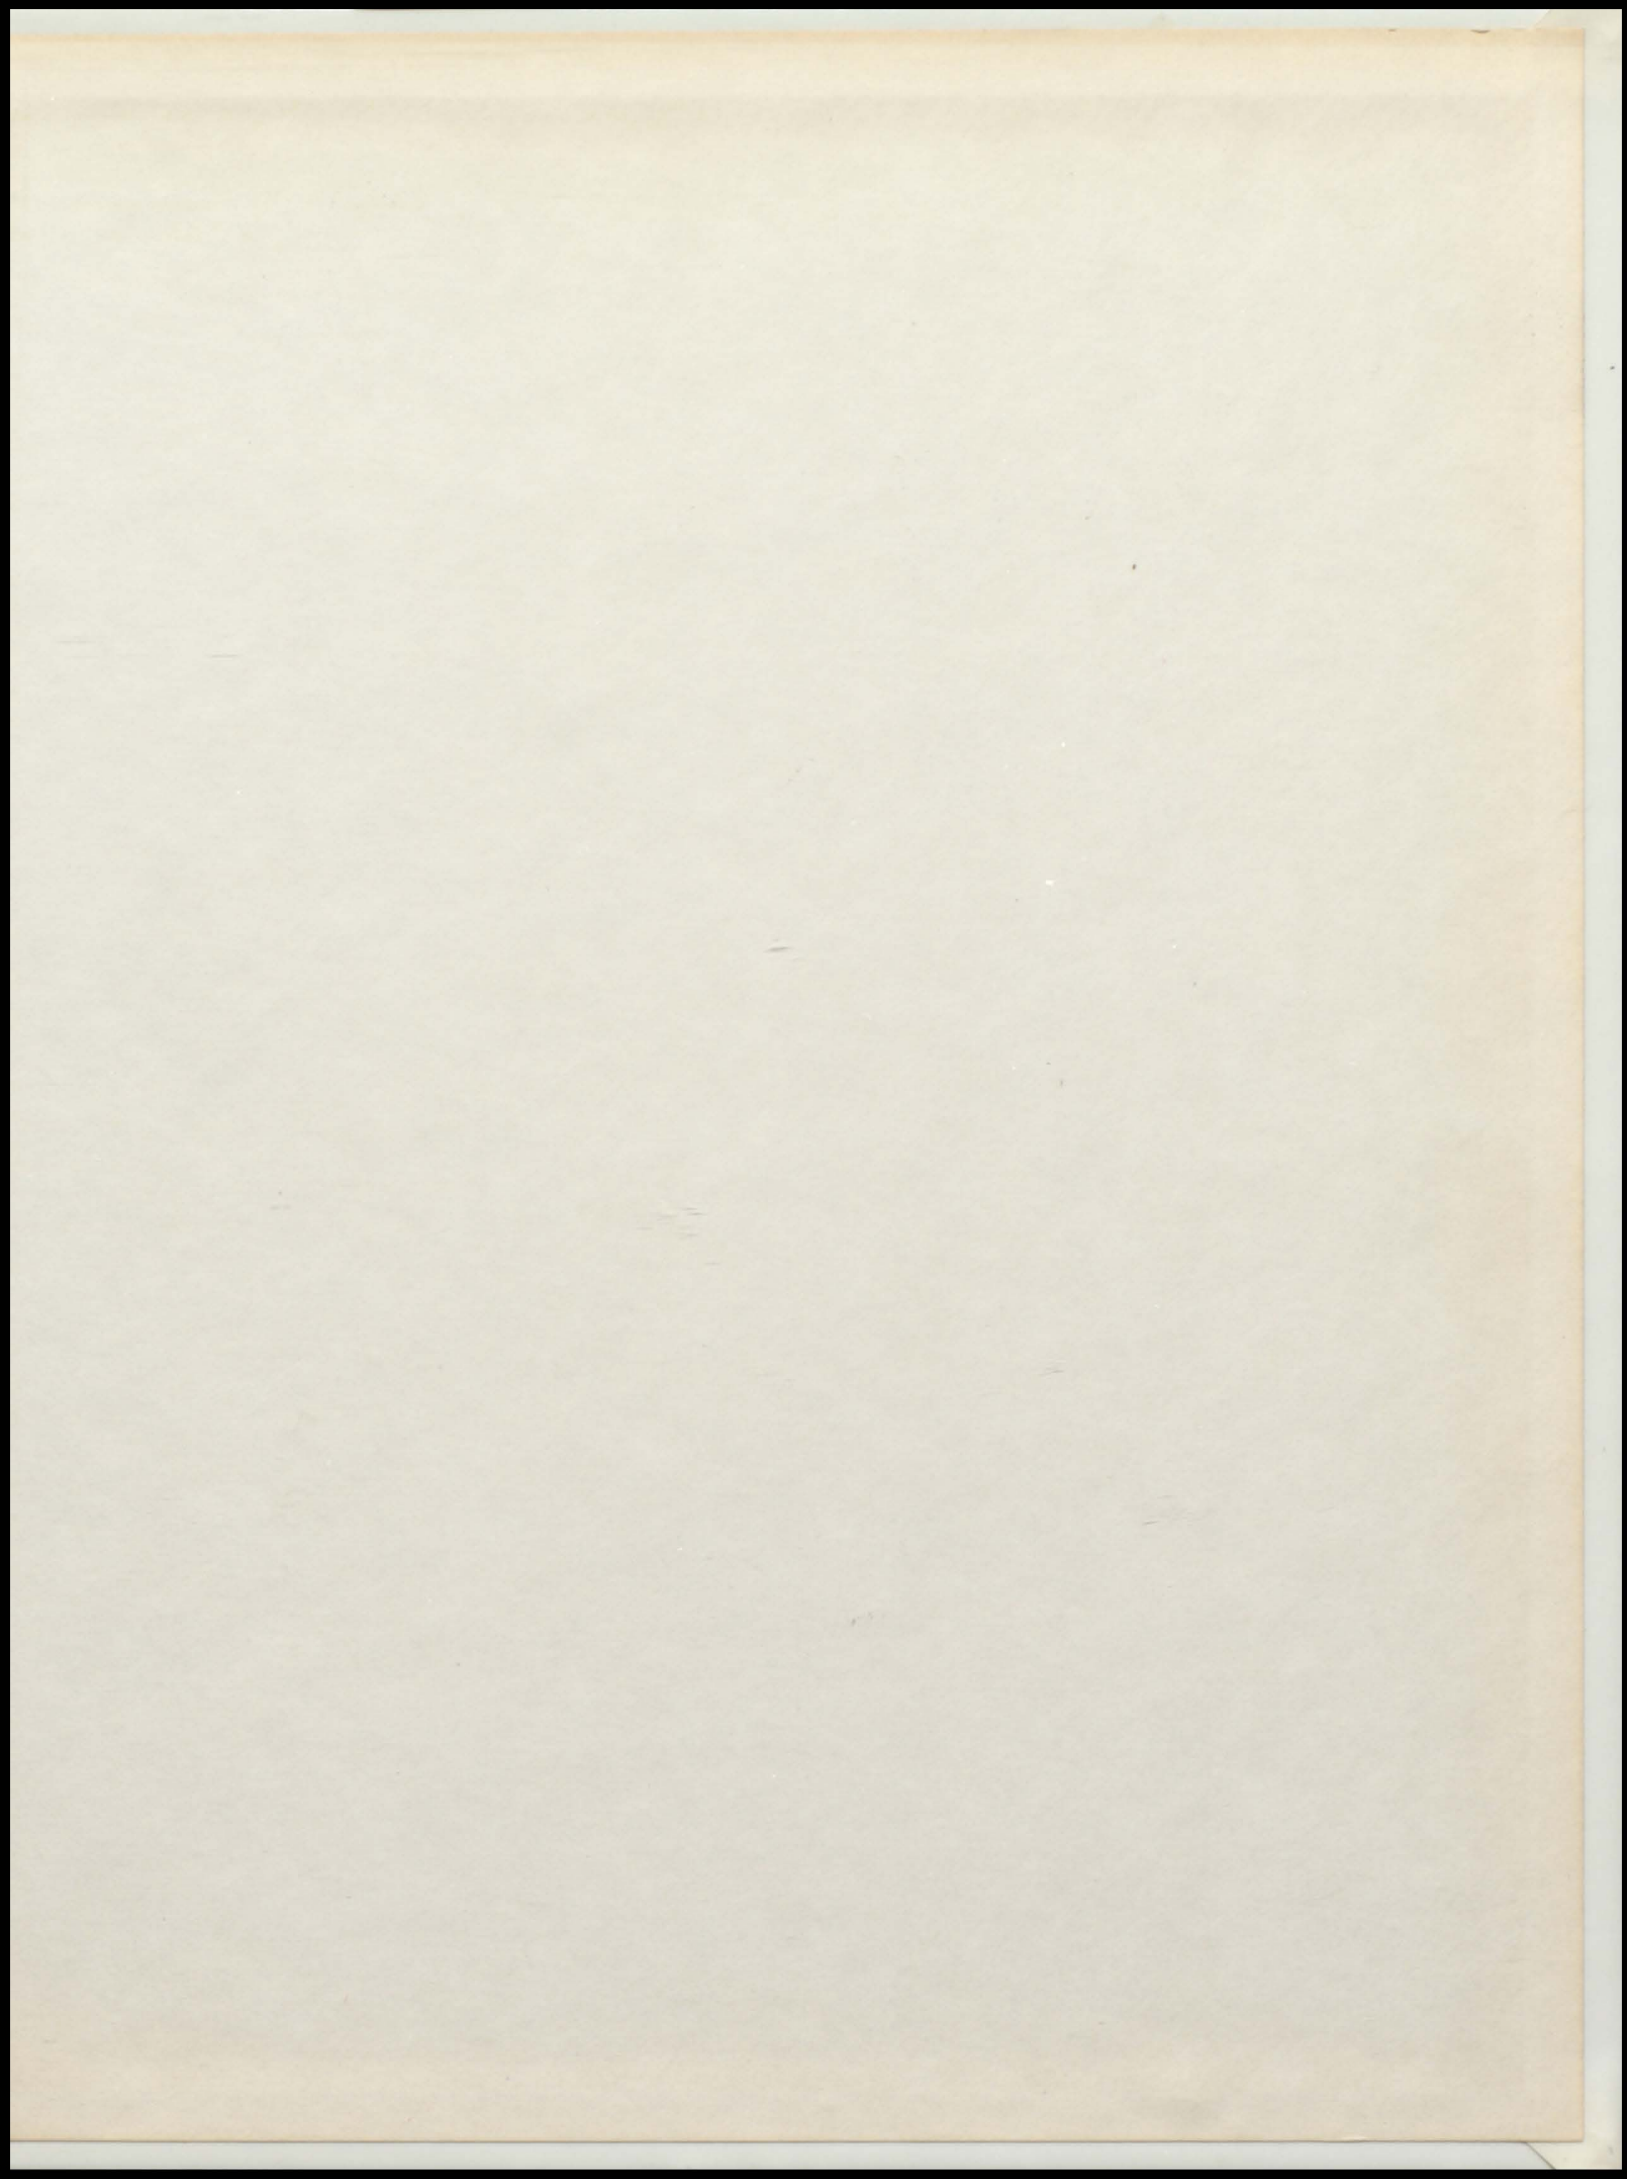

Congratulations!

Chris LaBoube and Jason Bricker

As we all know a favorite teacher is transferring to another school. She will be missed by
all and especially by a lot of singers. Good luck Mrs. Carter, don't forget us here at
