*East Alton—Wood River
Community High School*

1977

Wood River,

Illinois

DEDICATION

Mrs. Shirley McCune

Mrs. McCune has served as Department Chairman of Girl's Physical Education for the past nine years of the eighteen that she has taught Physical Education at our school. A great deal of her energy has been given to her work with the Oilerettes which she organized and has sponsored for twelve years. Through her leadership, patience, knowledge and desire for perfection the Oilerettes have brought honor to East Alton-Wood River High School through their many performances.

I asked some girls how they feel about her and this is what they said: a good teacher, a good leader, works us hard, real helpful. One girl even said, "She is like a mother."

International Thespian Society

Whenever you go to see a play at our school, do you ever wonder who is responsible? Nine times out of ten it is the local troupe (Number 733) of the International Thespian Society. This is an honorary society whose members must have earned at least ten "Thespian Points." These points are earned at the rate of 1 per every ten hours of rehearsal and 1 per performance. To gain entrance prospective members must also go through a week of initiation. This might explain why we sometimes see "Strange" people doing even "stranger" things for an entire week in the spring. Thespians also participate in many other interesting activities during the year. One of these will be this year's 14th Annual Spring Banquet.

The Speech Team consists of the people who have not yet earned enough points to become certified NFL members, along with those who have already earned their degrees.

1st row L. to R.—Kim Sellers, Patty Pence, Lisa Finn, Martha Arnold, Tree Dean, Dorcas Lile, Michelle Fillingam 2nd row L. to R.—Sandy Schmitt, Melanie Peacock, Mary Seaton, Kathy Lepchenske, Marcia Pape, Cheryl Mormino, Shelly Tucker, Marcia Hoehn 3rd row L. to R.—Sarah Schmitt, Jim Nauyok, Cheryl Smith, Robin Bosomworth 4th row L. to R.—Ralph Federle, Walter Kilmer, Andy Hoffman, Denise Scheiter, Rebecca Fines, Robert Becker, Brenda Chenoweth, Dinah Caldwell, Mindy Austin, Marian Milich

National Forensics League

The National Forensics League operates under the same executive Board as Thespians. The officers for this year are Jim Nauyok—President, Walter Kilmer—Vice President, Jill McCormick—Secretary, Martha Arnold—Treasurer, Bob Burns—Seargent at Arms, and Steve Schmitt—Historian. This club is a national honorary society whose members must have earned at least 25 NFL points. To earn their points students from this society compete in Invitationals, at Greater St. Louis Speech Association Tournaments, and at the District, Sectional, and State level contests of the Illinois High School Association. Several different degrees are awarded according to the number of points that have been earned.

Godspell

Directed by Anthony Militello

Godspell, a jubilant celebration based on the Gospel of St. Matthew, was perhaps the most successful play done in many years. The cast grew close during the weeks of rehearsal. This play will be long remembered.

Pinnochio

Directed by Karen Odle

Over 700 area elementary school students were enchanted by this year's childrens production of Pinnochio. It is the story of a small, naughty, wooden puppet who wants to be a real boy. His escapades take him from home to Boobyland and the inside of a whale. He learns never to lie, and eventually gets his wish.
